DOCUMENT: POLICY	SUBJECT: POLICY ON ONLINE POSTING	Page 1 of 1
DOCUMENT NO: PBMO – PO – 010 (001) DATE OF EFFECTIVITY: July 21, 2025	SUPERSEDES: PDMO – PO – 010 DATED: December 6, 2023	ISSUED TO: ALL UNITS

This is a controlled document. Should a revision be issued, you are required to return the obsolete document and ensure all obsolete copies are retrieved and replaced with the updated document.

Objective:

The purpose of this policy is to ensure timely and responsible online posting on St. Paul University Surigao's official online platforms. The guidelines aim to maintain a professional, informative, and inclusive online presence that aligns with the values and mission of the institution.

1. Authority and Responsibility: The Publications, Brand, and Marketing Office of St. Paul University Surigao is responsible for overseeing and coordinating all online postings on the official institutional web page.

2. Timeliness:

2.1. All information posted on the school's official online pages should be relevant and timely.
2.2. Regular updates, announcements, and news items should be posted promptly, ideally, not later than 2 days, to keep the community informed.
2.3. Other contents like Audio-Visual Presentations may be released on a later date granted that a post regarding the same activity had already been posted. This is to give ample time for broadcasting team and editors to go through the tedious process of post-editing and polishing of the material.

3. Content Criteria:

3.1. Information posted must align with the mission, vision, and values of St. Paul University Surigao.
3.2. Content should be accurate, reliable, and free from any form of misinformation.
3.3. Respect for diversity and inclusion must be observed in all postings.

4. Approval Process:

The University's Publications, Brand, and Marketing Office will review and approve the final content before publication.

5. Types of Activities to be Posted:

The following are the activities of school events that may be posted on the University's official social media platforms:

5.1. Academic Achievements: Recognitions, awards, and notable accomplishments by students, faculty, and staff.
5.2. Official Announcements: Important messages from the administration, policy changes, and official communications.
5.3. Events: Information about upcoming institutional events, conferences, seminars, and workshops.
5.4. Community Outreach: Highlights of community service, social responsibility, and partnerships.
5.6. Student Activities: News about student organizations, club activities, and achievements.

6. Visual Content:

6.1. All visual content, including images and videos, must adhere to copyright laws and respect the dignity of individuals.
6.2. Graphic design and branding standards should be maintained consistently across all posts.

7. Review and Revision: These guidelines will be periodically reviewed and revised as needed to adapt to changing circumstances or technology.
